Shaping Frontline Services to Meet Needs: Programs that Can Change Lives  
November 18th, 2013

OHTN 2013  
RESEARCH  
CONFERENCE

NOVEMBER 17-19, 2013

**CHANGING THE COURSE** OF THE  
**HIV PREVENTION, ENGAGEMENT** AND  
**TREATMENT CASCADE**

- An open community drop-in space

“I’ve learned to be a lot more comfortable around people with HIV... Just from being in the environment and meeting people...They’ve helped me to see there’s nothing to be afraid of”.

- Hands-On-Art

“So something that for me was a self-portrait, and my trying to deal with having to take pills everyday to save my life, allowed a much broader conversation to occur about pill management and pill burden and things like that”.

- Storefront Design

“We’re right on the main street...We’re not trying to hide somewhere to be invisible. It says a lot.”
