

COLLABORATION FOR HIV MEDICAL EDUCATION

## Seeking People Living with HIV/AIDS (PHAs) for Focus Groups and Interviews

Share your experience within the healthcare system as an HIV patient

*-Focus groups & one-on-one interviews will be held with PHAs to inform the discussion on how HIV patients can help improve **medical education** so physicians can better serve them*

To participate, you are:

- over the age of 18
- a person living with HIV/AIDS
- comfortable sharing your stories as a patient

**An honorarium of \$25 per hour will be provided to participants.**

**Focus groups will last approximately 2 hours and interviews will last approximately 1 hour. Reimbursement for childcare is available.**

We welcome participants from diverse races, genders, abilities and sexual orientations
