Rapid Response Request Form

The OHTN Rapid Response service is available to community-based HIV/AIDS organizations in Ontario that provide services to people with HIV in Ontario. We provide access to research evidence in response to questions from community-based HIV/AIDS organizations to help support evidence-informed programs, service delivery and policy. We conduct searches of scientific literature and contact experts in the appropriate fields to locate key information resources.

Please complete the form below and return it to the Rapid Response Coordinator. If you have any questions, or would like our assistance completing this form, please contact rapidresponse@ohtn.on.ca.

Name

Organization

Question

Please explain the reason for this request. How will the information be useful to you?
