

Section 8: HIV Clinical Services

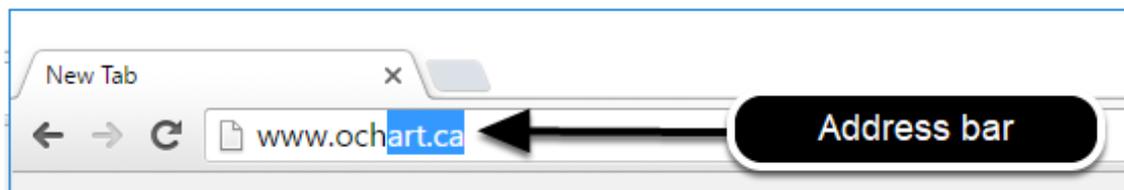

This section will show you how to complete Section 8 of OCHART 2.0, HIV Clinical Services. This section is for any organization or program that provides clinical HIV services.

Remember, you can fill in any OCHART section on your computer, tablet, or smart phone.

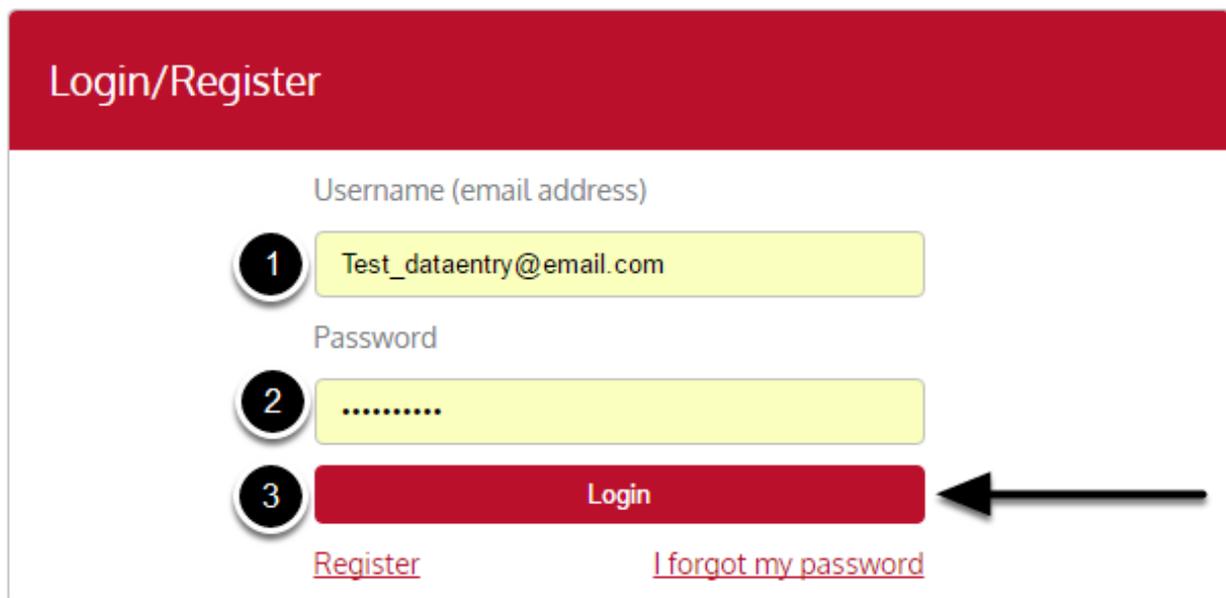

Type "www.ochart.ca" into the address bar of your internet browser. Press "ENTER".

Avoid using Internet Explorer.
Try Google Chrome or Mozilla Firefox.

Type in your "Username" (your work email address) and your "Password". Click "Login".

You must have an existing OCHART account in order to login. If you are a first time OCHART user and do not have an account, go to the article titled, "[Registration](#)" for step-by-step registration instructions.

Click "Enter OCHART Data" (left side).

Click the "Start" button under "8 - HIV Clinical Services".

Q1a. In the spaces provided, type the total number of unique new and existing clients served by sex/gender and client group during the reporting period. The columns will total automatically after you click "Next". Check you answers carefully. Click "Next".

Section 8

Community Based HIV Clinical Services

1a. Report the total number of unique **new and existring** clients served in the last 6 months by **client group** and **sex/gender**.

Record the number of people by sex/gender in the following groups who received HIV clinical services during the reporting period.

| | Male | | Female | | Trans man | | Trans woman | | Not listed* | |
|-----------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|
| | New | Existing |
| Living with HIV | <input type="text"/> |
| Affected** | <input type="text"/> |
| At risk | <input type="text"/> |
| Total | <input type="text"/> |

*For this section, not listed refers to other gender expressions not included in the options.

**Only includes those who are registered as clients.

Before going on the the next question, ensure that the totals for your NEW and EXISTING clients enties match the red numbers found below the question.

Q1d. Indicate what proportion (approximately) of the people who accessed your services during the reporting period represent each priority population by sex/gender. Click "Next".

1d. Estimate what proportion of the people who accessed your services in the past 6 months represent each priority population by sex/gender.

This is based on Ontario's priority populations. People can be included in more than one population listed below – for example, an individual can be a person living with HIV, gay and from the ACB community

Note: This will likely add to more than 100% as a result of multiple demographic indicators.

| Priority Population | Male | Female | Trans man | Trans woman | Not listed |
|---------------------------------------|----------------------|----------------------|----------------------|----------------------|----------------------|
| Gay/bisexual/MSM | <input type="text"/> |
| People who use drugs | <input type="text"/> |
| African, Caribbean, Black communities | <input type="text"/> |
| Indigenous peoples | <input type="text"/> |
| Women at-risk | <input type="text"/> |

Q5a - 5c. Enter the number of education, community development and/or professional development activities that have been completed during the reporting period along with the number of participants taking part in those activities. Click "Next".

5. Education and community development

Provide an overview of the education, community development and/or professional development activities that have been completed in the past reporting period.

5a. Education activities

| Type of education activity | Number of events | Number of participants |
|----------------------------|----------------------|------------------------|
| HIV Rounds | <input type="text"/> | <input type="text"/> |
| Community presentations | <input type="text"/> | <input type="text"/> |
| Conference presentations | <input type="text"/> | <input type="text"/> |

5b. Community development activities

| Type of meeting | Number of meetings |
|--------------------------------|----------------------|
| HIV Clinic Coordinator Network | <input type="text"/> |
| Local hospital/service network | <input type="text"/> |
| Local HIV planning network | <input type="text"/> |
| Opening Doors conference/event | <input type="text"/> |

5c. Professional development activities

| Type of professional development activity | Number attended |
|---|----------------------|
| CME/CPD or post-secondary course (or other professional development course) | <input type="text"/> |
| Nursing update/RPNAO/RNAO course | <input type="text"/> |
| Conference | <input type="text"/> |
| Other official college requirement | <input type="text"/> |

Q6a - 6b. Answer the narrative questions about HIV clinical services. Report any changes your agency has noted in shifts or changes in demand for HIV clinical services during the reporting period and explain what your agency has done to respond to those emerging trends.

Save your words and use point form, but start each point with a "*".

6a. Describe any shifts or changes (emerging trends) in demand for HIV clinical services that you identified during this reporting period.

*(Maximum 250 words, point form acceptable, use a * to start each new point/line. Do not use a hyphen.)*

6b. How are you responding to these emerging trends?

*(Maximum 250 words, point form acceptable, use a * to start each new point/line. Do not use a hyphen.)*

You cannot exceed 250 words in each response so use point form if needed.
