&
PUBLIC HEALTH STUDENT ASSOCIATION

2010 Student Research Expo on HIV and AIDS

NEW DEADLINE! Submit by November 25, 2010

The CIHR Social Research Centre in HIV Prevention (SRC), the Public Health Student Association and Centre for International, Health, Dalla Lana School of Public Health invite you to participate in the 2010 University of Toronto World AIDS Day (December 1st). The day will involve an open forum with University of Toronto students and faculty presenting their local and global work in the field of HIV.

If you have something already prepared (a previous poster/paper/poem/painting etc.) or an idea in the works that you would like to share, please send Robin Montgomery (robin.montgomery@utoronto.ca) a **short outline (including your contacts & the title and format of your presentation) by 11pm on November 25, 2010**. This Research Expo **WILL NOT** involve formal oral presentations but instead asks students to present their research through other creative mediums including posters and arts-based presentations (poems, spoken work, art work, etc.). Presentations should be highly creative and low cost. Posters will be mounted using easels and tables; LCD projects will not be available for this event.

The 2010 Student Research Expo

Where: East Common Room, Hart House

When: 11:00am – 2:00pm on December 1, 2010

FACULTY presentations will include:

Liviana Calzavara, Professor, DLSPH, Director, CIHR Social Research Centre on HIV Prevention

Jillian Clare Kohler, Associate Professor, Leslie Dan Faculty of Pharmacy and the Munk School of Global Affairs.

Peter Newman, Associate Professor, Canada Research Chair in Health & Social Justice, Faculty of Social Work.
