Financial Empowerment for Healthy Aging with HIV

A Research Study

Are you someone who is aging with HIV (age 50+)?

Do you worry about making informed financial decisions?

Do you have questions about the benefits available to you as you age?

Do you have the support of a knowledgeable financial planner?

Consider taking this

SURVEY

independently (online) or with support from a Research Coordinator

You will be compensated for your time (45-60 minutes in total). Your information will be kept confidential.

The information gathered may help community-based organizations tailor their services to meet the financial information and support needs of people aging with HIV across Ontario.

To complete the study pre-screening, contact the Research Coordinator at 437-505-4333 or email* fecoordinator@realizecanada.org
